Namaste & Greetings from the Apollo SHINE Foundation

The SHINE program is a Student Health Initiative from the Apollo SHINE Foundation—a not for profit organisation powered by the Apollo Hospitals Group. The program is intended to provide FIRST AID on campus, to create awareness about present day health issues, and also to enable students to be equipped to handle medical/healthcare situations that might arise in the course of their life.

Accident Insurance

Shine members will be entitled to an accident insurance coverage of Rs.1,00,000/- provided by the Apollo Munich Health Insurance Company Limited, specifically for in-patient hospitalization due to accidents, at any Apollo Hospital in Chennai and Rs.1,00,000/- in case of loss of life for a payment of Rs.75/- per student towards the insurance premium per annum.

The teachers/staff of the institution will be entitled to accident insurance cover of Rs.1,00,000/- only for themselves, at an additional cost of Rs.100/- per teacher/staff paid towards the insurance premium per annum.

Insurance will be activated upon receipt of the name list and payment. At the time of hospitalization, the patient will produce their Shine card for identification purposes and have to complete the pre-claim formalities as required.

In today’s world, healthcare is no longer optional. We need to give ourselves the best chances to combat the unexpected outcomes of modern lifestyles. The Apollo SHINE Foundation is committed to battle the scourge of Non Communicable Diseases like autoimmune diseases, heart diseases, stroke, cancers, diabetes, chronic kidney disease, osteoporosis, Alzheimer’s disease, cataracts, and others. The best way to battle this according to our Chairman Padma Vibushan Dr. Prathap C Reddy is through health education and early screening. The Shine program is a manifestation of this philosophy and its goal is to Keep India Healthy by keeping students aware of the risks and implications of the lifestyle choices they make.

We look forward to your support to help this initiative take flight in our journey to Keep India Healthy.

Best Regards,

For Apollo Shine Foundation

General Information
This order confirmation is not proof of ownership of any software licenses. You are responsible for paying your reseller for ordered licenses. Software use rights for acquired licenses become permanent once you have made full payment. The official record for this transaction and the Microsoft Open License Agreement (the "License Agreement") that governs your use of the software products displayed above are posted at https://www.microsoft.com/licensing/servicecenter/ (the "VLSC" Site).

Accessing VLSC
Volume License Service Center (VLSC) provides customers a single, consistent, self-serve experience to securely and easily manage all aspects of software licenses. As an increased security measure, the VLSC Administrator role is automatically assigned to the customer contact whose email address is provided on the Open License order. A partner or other individual from your organization can manage your organization's license(s) once approval is provided by the VLSC Administrator.

Upon logging into VLSC, terms and conditions of the License Agreement will be presented to you after selecting the contract language. You must accept the terms and conditions of the License Agreement before you can use the software products. If you do not agree to the terms and conditions of the License Agreement, do not copy, install, use, access or run the software products and instead, promptly submit your return in writing to your point of purchase. By exercising the rights granted in the License Agreement, you agree to be bound by its terms and conditions.
You can receive all your Microsoft software and future software updates through downloads from the VLSC. If you currently purchase software on discs we invite you to join "Digital by Choice" Microsoft’s campaign to eliminate unnecessary shipments of software on physical media (CD/DVD discs). By choosing to download your software from VLSC you can get software updates faster than with kit shipments, save time and effort managing media, and reduce waste and support a more sustainable future. Learn more by visiting http://www.digitalbychoice.com OR click the link on the Software Downloads section of the Volume Licensing Service Center: https://www.microsoft.com/licensing/servicecenter/.

Volume License Product Key

You agree to use your best efforts to keep a secure record of this product key including not disclosing this product key to any unauthorized third party. You may see VLKs for older product versions; this is to support downgrade rights under the license agreement where customers can acquire the latest version of a product and use an older version. For more information about Volume License Product Keys, including additional information on key types, best practices, and deployment options, go to the “Volume License Product Key” section of http://www.microsoft.com/licensing.

For MSDN Customers Only
