DVV CLARIFICATION	HEI RESPONSE
1. HEI is requested to kindly note that most of the programme provided in this metric seems to be a part of the regular university curriculum, which should not be considered in this metric. Please relook and provide correct revised data. FOLLOWING should not be considered: - Programming in Java, Digital Marketing, Programming in C++, Micro Finance etc.,	1.As specified by the DVV partner, HEI has removed one (1) course namely Digital Marketing for B.Com. General students offered as value added courses by the HEI.  Value added courses namely, Programming in Java, Programming in C++, Micro Finance etc., are retained by the HEI as the enrolled students are from different disciplines and these courses does not form a part of the regular university curriculum. The HEI encourages students to enhance their knowledge and skillset through these value added courses to get employability in various sectors.
