AUTONOMOUS

Our College has a distinction of obtaining the coveted 'A' grade from NAAC in April 2013 for the academic excellence achieved by us for the last four decades. Our College is also an ISO 9001:2008 Certified Institution.

Our consistent and unflinching effort in attaining nobler height in the field of higher education culminated in the autonomous status being conferred on us in June 2006 and it has been renewed further period of six years i.e upto 2017-18.

This again is no small honour as we passed through the evaluative gaze and the critical assessment of the Expert Committee of the University Grants Commission.

Autonomy means literally autonomy in the introduction of useful courses that serve as a springboard for students to reach higher level of employment on one side and to pursue enduring research that vertically take them to greater heights in academic attainments on the other. It confers on us the province to initiate examination reforms that brings to the fore the talents lie hidden in a student. It is again within our competence to device and practice with success curriculum innovation, conduct of seminars and arranging project work, formulating schemes for the benefit of the State and the Nation, establishing enduring nexus with leading industrialists to create conduit for the gainful employment of our students.

All these will follow with a redoubled vigour, fervent enthusiasm sequel to the autonomous status attained by us.

The special feature of Autonomy is introduction of Internal Assessment System which would help teachers to continuously assess the performance and bring to the fore their latent talents. Adequate attention could be focussed on communication skills, Personality Development and other soft skills so that students after appointment could get along with personnel in any organization with team spirit.

The College is empowered to constitute its own Board of studies and Academic Council which will decide the syllabus, Question Paper Setting and Evaluation in accordance with the UGC guidelines. Proper credit to each subject could be determined.

The doyens and stalwarts in industry and educational field who represent the Board of studies and Academic Council would guide the institution to bring about reforms.

Thanks to the autonomous status all our efforts in future would be concentrated on maintaining higher level of excellence in education, accommodating new schemes (courses), introducing new methods of teaching and creating conducive climate for study in the campus.
