7. CHOICE BASED CREDIT SYSTEM

The Autonomous status of the College offers a student the benefits of Choice Based Credit System. Every paper is allotted a certain number of credits. A student is awarded the specified credits on obtaining a pass in the respective paper.

The Choice Based Credit System (CBCS) was implemented for all UG, PG and M.Phil. Courses from the year 2008-2009 onwards as per the recommendations of the Tamil Nadu State Council for Higher Education (TANSCHE).

The student has abundant opportunities during the course of study to obtain additional credits by doing Optional Certificate Courses offered by different Departments of the College. This facility will strengthen the academic potential of the student, as it provides flexibility in the choice of courses offered beyond the framework of the respective discipline of study. The introduction of the CBCS ensures compatibility with the academic norms practiced in other educational institutions of repute in India and abroad.

The structure of undergraduate programmes provides a wide range of choice for students to opt for courses based on their eligibility, aptitude and career goals. The undergraduate curriculum will include the following categories of courses in order to accomplish a holistic approach to undergraduate education.

Programme Pattern (UG & PG)

- a. The undergraduate programme of the college is of three years integrated pattern, divided into six semesters and two semesters at each year.
- b. The Postgraduate programme of the college is of two years integrated pattern, divided into four semesters and two semesters at each year.
- c. Each semester of under graduate programme will have two Continuous Internal Assessment Test, Model Examination, Two Assignments, Practical Examination and End Semester Examinations (Theory and Practical).
